Examination Grievance Redressal Procedure

The function of the cell is to look into the complaints lodged by any student, and judge its merit. The Grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person, or in consultation with the officer in-charge Students' Grievance Cell. In case the person is unwilling to appear in self, grievances may be dropped in writing at the letterbox/ suggestion box of the Grievance Cell at Administrative Block. Grievances may also be sent through e-mail to the officer in-charge of Students' Grievance Cell.

Objective:

The objective of the Grievance Cell is to develop a responsive and accountable attitude among all the stakeholders in order to maintain a harmonious educational atmosphere in the institute.

A Grievance Cell should be constituted for the redressal of the problems reported by the Students of the College with the following objectives:

- Suggestion / complaint Box is installed in front of the Administrative Block in which the Students, who want to remain anonymous, put in writing their grievances and their suggestions for improving the Academics / Administration in the College.
- Advising Students of the College to respect the right and dignity of one another and show utmost restraint and patience whenever any occasion of rift arises.
- Advising All the Students to refrain from inciting Students against other Students, teachers and College administration
- Advising all staffs to be affectionate to the Students and not behave in a vindictive manner towards any of them for any reason.

Students take this copy to the concerned teacher where he/she goes through the same and guides whether the answers are worthy of re-evaluation, rechecking or redressal.
- ii. Mechanism to deal with examination related grievances is transparent, time bound and efficient.

In our institution, the various activities related to examinations such as checking the exam schedule, display of the same, noting students' grievances and dealing with them effectively, guiding students in various exam related tasks etc. are performed systematically, in time and efficiently.

- **Time bound display of all notices related to university exams**

The sequence of activities for theory exams is as follows

- a. The institute prepares a tentative exam schedule and sends the same to the institute
- b. This schedule is displayed to students' notice board so that grievances such as overlapping, omission etc. are brought to the notice of the concern
- c. This rough draft is sent back with suggestions and grievances
- d. The university corrects the mistakes and sends back the final draft to the institute.
- e. This final draft is displayed on the notice board 1.5 to 2 months before the commencement of the theory exam
- f. Any other notices related to university exams are displayed on the same day they are received by the institute.

For university practical exams, the final draft is sent directly. It is displayed and students are informed about the schedule of the exams 6-8 days prior to the commencement of the exams.

- **Help to the students for university exams form filling:**

The institute has deputed a dedicated clerk to look after all activities related to university exam work. Exam forms are filled in a particular departmental class room to avoid the inconvenience of students having to come all the way to the office. For filling out the forms, the clerk first prepares a schedule showing the date to visit a particular class. On the given date the clerk goes to the class and gets the forms filled. Forms are filled online portal provided by University. Any offline work is done after form filling.
